Please find enclosed copies of the document on time table of post graduate courses (master's and doctoral) to be offered by various Departments during I semester for further implementation. The schedule provided by the respective Head of the Department has been finalized in accordance to the discussion in the meeting held on 9.7.2015. Some valuable tips/excerpts from the academic regulations and class timings have also been incorporated for the benefit of the faculty and all concerned. All the orders issued in this respect by Heads of the Departments stand cancelled with immediate effect to avoid any confusion/ controversy. Extra copies, if needed, may be produced by the Heads of the Departments for distribution among departmental faculty. The same is also available on the University website. Hopefully, the courses would be assigned to the teachers by concerned Heads at their earliest with a copy to the undersigned. Deans of various colleges are also requested to pay their attention to the timings while finalizing their UG time table.
